

Eastern Colorado Seeds, LLC.
"Seeding Tomorrows Success Today"

Company: ECS

Location: Dumas, Texas

Industry Sector: Agribusiness

Industry Type: Plant & Soil Sciences, Seed and Biotechnology

Career Type: location Manager

Job Type: Full Time

Minimum Years' Experience Required: 2

Salary: \$80,000 to \$100,000

The Location Manager acts as the owner of the location and has responsibility for all activities associated with the operation. These activities include all plant and field operations. As such, the Location Manager focuses on all aspects of business success including customer satisfaction, fiscal responsibility, process efficiency, employee safety, and employee development. Other responsibilities include, but are not limited to, the following:

- Hiring, training, and supervision of all employees at the location. Conduct annual review with all employees.
- Manage logistics in and out of the location.
- Providing a safe work environment for all employees through complete implementation of company safety programs.
- Ensuring complete customer satisfaction for seed produced, processed, or distributed from location.
- Maximizing production of seed that meets all quality specifications.
- Implementation of the Quality Management System, as it applies to the location.
- Communicating overall business and location strategy to location employees.
- Ensuring adequate staffing of location processes to meet customer and business needs.
- Developing the annual location budget and monitoring spending throughout the production year.
- Evaluate location capacity vs. needs and recommends capital improvements.
- Initiating problem solving to improve location performance as needs arise.

Requirements:

- A 4-year degree is preferred but not mandatory
- Agricultural background is required
- Computer skills required
- Understanding of small grain and sorghum seed production or minimum of 4 years of related experience
- Excellent communication skills
